

THE OCONEE ENTERPRISE

Letter to the Editor 4/22/10

Kudos again for OYP for their latest production

Last weekend was a really great treat. I never cease to be amazed at the talent and professionalism of this group. It is hard to believe that I am sitting in the Oconee Civic Center and hearing and seeing a local group perform. It is more like some of the performances I have experienced in New York and Atlanta.

The Oconee community is rightfully proud of this group and all of their quality leadership. They deserve the entire community's support. After over 30 years of teaching music in the Oconee Co. schools, I certainly can appreciate all the hard work and endless hours of preparation that go into these productions. In addition, all the countless hours of work by the parents of these young people.

OYP (Oconee Youth Playhouse), you have my highest praise and respect for bringing such quality performances to us, locally, using local talent and inspiring them to greater heights and preparing them to attain these heights with a high degree of professionalism. My hat is off to you again for another great performance, great achievement and a delightful "evening of theatre."
